Dear Sir:

I enclose $ 10.10 for two copy's of "WHITEWASH".

I have been acting as your unotherized agent for the past couple of weeks, visiting and calling bookstore's and giving them your name and address, for which they were very grateful.

In the past I have tried to get them intrested in Mr. Buchanan, Mr. Fox and Mr. Joesten's book's on this bubject with no success, the nearest bookstore to handle any of the book's Iv'e mentioned was the bookstore in the Bergen Mall in Bergen County, N.J. I think your book will change things around here, people are determined to buy it.

Your's truly,

Michael B. Dolan
